Amended plans for the landscaping of the Newton Grange development were submitted for consideration. Concern was expressed at the lack of pavement at the junction of Cow Lane and the High Street on the western side, and it was suggested that, as a safety measure, the footpath from the High Street be extended into Cow Lane. It was also suggested that Cow Lane be widened so as to allow for two-way traffic.

It was AGREED:-

That the Newton Grange Working Group convey these observations to the developer.

(b) **Wilts & Dorset Bus Company**

The Clerk updated Members on the current issues relating to the lease with the Wilts & Dorset Bus Company, and the position was noted.
