Dear All,

Anna Semelian, Organiser for the 20s Plenty Campaign Group is offering to host a Zoom meeting with interested villages/individuals that want 20 mph limits. She is suggesting an evening meeting at say 7.30 on a date in the week commencing 8 or 15 February, not 8th, 15th or 17th.

Can you let me know if you are interested in having a representative on such a Zoom meeting please?

Best wishes

Nick
