Dear Swanage Town Council

I refer to my colleague's email below regarding the name suggestions for our new development on the old Swanage Grammar School site.

Please could you confirm if you have had a chance to review the name suggestions (attached), and if so, whether you approve of the names put forward?

I look forward to hearing from you soon.

Thank you.

Kind regards

Sara

Dear Swanage Town Council

BDW currently have a planning application submitted for a residential development on the old Swanage Grammar School site. We have been approached by the Swanage Grammar School Association regarding street naming. Please see attached email with recommendations for street names based on school teachers that worked there.

Please can you confirm this is an acceptable theme, and if you are in agreement with the proposed names? I am happy to discuss before submission to Dorset Council.

Thanks & Kind Regards,

Brad Slingo

Dear Bradley

On behalf of the Swanage Grammar School Association, I would like to confirm our choice of the four street names for the Northbrook Road development on the former site of our school as follows:

Saville
Lindsay
Stretton
Aylwyn

Thank you for your support in progressing this application within BDW and with the appropriate local authority. Assuming this is acceptable, it would be helpful to know when it is agreed so that we can then notify the relatives of the former teachers named above who have given their permission for the names to be used.

Best wishes
David
