Fishers' Huts – To review timescale for implementation of new hut allocation policy, further to Minute No. 10 of the Tourism & Local Economy Committee Meeting held on 19<sup>th</sup> March 2025, and to consider appointment of task and finish group

### **Background**

At the Tourism & Local Economy Committee meeting held on 19<sup>th</sup> March 2025 a new fishers' huts allocation policy was adopted. The following changes were agreed, in terms of both prioritisation and eligibility:

- The first two categories to be merged to read 'Category 1 Those whose employment is commercial fishing'.
- Categories 3 and 4 to be renumbered 2 and 3, as follows:
   Category 2 Commercial boat operators
   Category 3 Others
- Eligibility to be restricted to those with a boat registered to an address in the area covered by the Town Council's Residents' Parking Scheme, i.e. the civil parishes of Swanage, Studland, Langton and Worth Matravers (including Harmans Cross), Corfe Castle (including Kingston), Kimmeridge, Church Knowle and Steeple.
- Evidence of eligibility for the new categories 1 and 2 to be provided by a Certificate of British Registry from the Maritime & Coastguard Agency and/or either a commercially endorsed skipper's licence (e.g. RYA/MCA) or a Sea Fish Industry Authority skipper's card.
- In terms of applications from those in Category 1 for a second shed, these would take precedence over applications from individuals in Categories 2 or 3.
- Applications from those in Category 2 for a first shed would take precedence over those in that category who were seeking a second shed.

It has taken some time for existing hut owners to supply the relevant paperwork and through the process some 'grey areas' have emerged as to how best to implement the policy. For example, what definition of businesses should qualify under Category 2 'Commercial boat operators'?

Given that the current hut licences were due to be re-issued as of 1<sup>st</sup> April it is proposed that all existing hut owners be granted a licence for the current year. This would enable time for a task and finish group to meet in order to consider the best way to take forward the implementation of the revised allocations policy and clarify any areas of uncertainty.

Previously, Councillors Bonfield, Tomes and Sutton acted as a working party to review this matter and Council may wish to re-appoint them as a task and finish group, working together with the Town Clerk, to report either to the November meeting of the Tourism & Local Economy Committee or a meeting of the Council in the autumn.

Martin Ayres Town Clerk

July 2025
